

Bob Kelley North East Region

Invitational Fun Skirmish

June 20 2026

Dansville Fish and Game Club, Gibson Street, Dansville, NY 14437

All NSSA members are invited to participate in a skirmish to have fun and to make smoke and noise!

This will be a musket only match. Seven events are planned with non-standard targets. Bring lots of ammo.

There will be a recruiting shoot on Saturday morning from 9am until noon.

Standard NSSA uniform rules apply. If the weather is hot we will use the relaxed uniform rule.

A \$5.00 entry fee is required and there will be a dish-to-pass after the match. Please bring something to share. There is no charge for non-shooters but we would like a head count so we know how much food to prepare.

The NorthEast Region will provide hot dogs, hamburgers, buns, and condiments. Bring your own beverages, plates, cups, and utensils. Volunteers to help setup, cook, and serve will be appreciated.

Send entries to:
